Description

This is a modification to the above Broad Agency Announcement (BAA). The purpose of this modification is to change the response date for the Broad Agency Announcement from July 9, 2007 to July 16, 2007, remove the 100% small business set-aside restriction from the Broad Agency Announcement, and insert the verbiage below into the Call for Proposals section of the Broad Agency Announcement:

All responsible sources capable of satisfying the Government's needs may submit proposals, which will be evaluated. Historically Black Colleges and Universities (HBCU) and Minority Institutions (MI) are encouraged to submit proposals and join others in submitting proposals. However, no portion of this BAA will be set aside for HBCU and MI participation due to the desire to solicit ideas as broadly as possible.
